Getting Involved .....	2
Collaboration Tools .....	2
Other Resources .....	2

Released: 11-07-2011

Here you will find links to documentation for the Rice 2.0.0-b1-SNAPSHOT release as well as general resources and information about the Kuali Rice project.

## Download

- [Download Kuali Rice 2.0.0-b1-SNAPSHOT](#)
- Maven Repository - <http://nexus.kuali.org/content/groups/public/>

## Release Documentation (mostly outdated)

1. **Release Notes** ([HTML](#) / [PDF](#) )
2. **Javadocs**

Note: The following items have not been updated for Rice 2.0 except for KRAD and KRMS chapters.

1. **Installation Guide** ([HTML](#) / [PDF](#) ) - How to install Kuali Rice (for technical administrators and developers)
2. **User Guide** ([HTML](#) / [PDF](#) ) - How to use a feature (for users)
3. **Client Developer Guide** ([HTML](#) / [PDF](#) ) - How to build client applications that take advantage of the feature programmatically (for application programmers) - coming soon
4. **Technical Guide** ([HTML](#) / [PDF](#) ) - How we built the feature in the core system (for contributors and maintainers)
5. **Database Diagrams**

\* When using Internet Explorer, we recommend viewing the PDF files since the size of the diagrams may be illegible in IE.
